and Auction Committee, we thank you for attending

AUCTION COVER:

Special thanks to Shanley Art Teacher Alyssa Ebinger for crafting the pencil sketching of the iconic wooden Christ statue in Shanley High School, superimposed with a wonderful photomosaic of this year's student/school images. It is this cover artwork that represents the St. John Paul II Catholic Schools value statement: "A Community, inspiring Excellence through Faith, Learning and Service."

GRATITUDE TO OUR DEACON PARTNERS & TABLE SPONSORS

Any event of this undertaking would not be possible if it were not for the very generous support of our donors and sponsors; in particular, our Platinum & Gold Deacon Partners & Table Sponsors:

Through their generous financial support, they have greatly assisted the Shanley Deacons Dinner Auction in providing you with a quality evening of hospitality. And more importantly, these sponsors have committed themselves to supporting the educational experience of all St. John Paul II Catholic students.

It is with a deep gratitude that we extend our thanks to our 2016 Deacon Partners & Table Sponsors!

If your business is interested in becoming a Deacon Partner or Table Sponsor for the 2017 Shanley Deacon Dinner Auction, please contact Joelle at 701-893-3225 or Joelle.Shewey@jp2schools.org or Lee Hoedl at 701-306-1266 or leehoedl@yahoo.com.

Dear 2016 Deacon Auction Attendees,

Thank you for attending our annual auction event. This evening we will be generating dollars that will support our mission, “The Mission of the Saint John Paul II Catholic Schools is to inspire exceptional student achievement by teaching the total person and fostering the following of Christ in an environment guided by the Gospel spirit, as taught by the Catholic Church.”

Our mission is what guides us. It is what distinguishes us from other schools. Our mission is why we are gathered here tonight. In a world that tells students, “You are the most important, watch out for yourself.” Our schools teach children that they are part of something that is bigger than themselves!

This message is countercultural. Our students graduate with a strong academic credential, but they also leave rooted in the Gospel spirit and filled with a desire to serve and make a difference in the lives of others. Excellence in academia is very critical to our future as a Church and community, but it is our belief that growth of the total person is indispensable that truly separates us from other schools.

The ongoing effort to raise young men and women, Deacons, committed to serving others would not be possible without the generous support of the people in this room.

Tonight’s special project will focus on the other group that make this mission possible, our teachers and staff! This evening we hope to generate \$1.25 million to support a long term solution to our number one threat as an organization, the discrepancy in teacher pay. Our staff is compensated considerably less than other educators in the community. This gap in compensation has existed long enough. We need to begin to make a big difference in this injustice. Our endowment is the long term solution to that discrepancy. Thank you for being a part of this historic event. When we leave tonight, we can say, “The pay gap days are numbered!”

We hope you enjoy the company of friends and family and savor the energy that is unique to the Deacon Auction!

Peace,

A handwritten signature in black ink, appearing to read "M. Smith".

Thank you

A very special "Thank You" to all our Donors. We urge everyone connected with the St. John Paul II Catholic Schools Network to patronize the retail merchants who have been so generous to us and are vital to the success of our Auction. Please express appreciation to them, on our behalf, for their loyal support.

Rules and Procedures

ALL AUCTIONS

Unless otherwise specified, all Auction items and services must be used within one year. Please be considerate of our generous donors when redeeming certificates and other donations. Values listed in this catalog are donor stated values or appraisals, and as such are not warranted for tax purposes or for general use.

Payment for items may be made at the cashier's desk located in the Atrium. Payment may be made with cash, check, Visa, MasterCard, or Discover.

All items must be paid for and picked up by the end of the evening. **ALL SALES ARE FINAL. THERE WILL BE NO EXCHANGES OR REFUNDS ON ITEMS EXCEPT WHERE SPECIFIED.** After paying for auction items bring the receipt to the Harvest Hall for help in picking up items.

SILENT AUCTION

The Silent Auction begins at 4:30 pm in the **HARVEST HALL**. Auction item signage is located next to each item and corresponds to the text bidding category and number.

Auction signage and its corresponding item must remain on the display table. To bid on the Silent Auction, you will utilize the text bidding process set up for the Shanley Deacons Dinner Auction. Text the word DEACON to 71760 and your assigned bidder number to begin bidding.

The Silent Auction in the **Harvest Hall will have staggered closings in the various auction categories. Please refer to page 6 for those staggered closings.** Winning bidders of specific Silent Auction items will be notified to their specific phone after the automated text bidding process is closed. Guests may visit the Atrium registration area to inquire further about the results of a particular Silent Auction item. In the event of final rapid bidding on a particular item, the automated text bidding process will have a "soft closing" until there is a 60-second pause in that bidding; the bidding will then close and the item will go to the highest bidder.

AFTER PAYING FOR AUCTION ITEMS, BRING THE RECEIPT TO THE HARVEST HALL FOR PICKUP.

DEACON SELECT AUCTION

We are pleased to include the DEACON SELECT feature in the 2016 Shanley Deacons Dinner Auction. These goods and services are of extraordinary quality and value. The Deacon Select is presented in the same silent bid format/text bidding process as the Silent Auction.

The **DAKOTA HALL** opens at 4:30 pm to allow bidding on Deacon Select Auction items. Auction item signage is located next to each item and corresponds to the text bidding category and number. Auction signage and its corresponding item must remain on the display table.

The Deacon Select Auction closes at 7:45 pm, before the start of the Live Auction. Winning bidders of specific Deacon Select Auction items will be notified to their specific phone after the automated text bidding process is closed. Guests may visit the Atrium registration area to inquire further about the results of a particular Deacon Select Auction item. In the event of final rapid bidding on a particular item, the automated text bidding process will have a "soft closing" until there is a 60-second pause in that bidding; the bidding will then close and the item will go to the highest bidder.

LIVE AUCTION

The Great Hall opens at 6:00 pm to allow viewing of Live Auction items. The Live Auction begins at 8:00 pm. Each Live Auction item is numbered and listed in your catalog.

The Master of Ceremonies or the Auctioneer will call out the number and give a brief description of the item. The Auctioneer will then open the bidding. Bidders can raise the bid by raising their bidder cards in order to be seen by the Auctioneer or "spotters."

RAFFLE

Purchase price of a raffle ticket is \$20. A single raffle ticket gives the purchaser the opportunity to win. The drawings will be made and winners announced during the evening as follows:

7:00 PM \$500 Hornbacher’s Gift Card

8:00 PM \$500 West Acres Gift Card

Winners must be present to win, and must show their matching ticket, or a new winner will be drawn. Each winning ticket will be placed back into the drawing for a chance to win the remaining prizes. Claim your prize at the cashier’s table located in the Atrium next to Dakota Hall. [City of Fargo Permit #R00012-15].

PADDLE GAME

Purchase price of a paddle is \$20. A single paddle gives the purchaser the opportunity to play and win. The Paddle Game is a simple game of heads or tails. During this evening’s games, participants will hold up their paddle and guess the flip of the Auction coin, with their guess of heads (John Paul II profile) or tails (Shanley shield) facing away from themselves. Participants will continue through each round of the game if their guess matches the tossed coin. The game will continue until there is only one winner. There will be two chances to win: at the beginning of the Live Auction and after the JP II Special Projects. Be ready to win.

1429 JP II SPECIAL PROJECT: Teacher Endowment

The Mission of the Saint John Paul II Catholic Schools is "to inspire exceptional student achievement by teaching the total person and fostering the following of Christ in an environment guided by the Gospel spirit, as taught by the Catholic Church." The daily responsibility of fulfilling this mission is in the hands of our teachers. Currently, our teachers, the guardians of our mission, are compensated at a rate considerably below teachers in the public school setting. Tonight we hope to take a concrete step at closing that gap by adding to our Teacher Compensation Endowment. We hope to add \$1.25 million to the Endowment tonight. All gifts given to the Special Project will be matched 4:1 for a total match of up to \$1 million. This amazing matching opportunity is provided by an anonymous gift for which we are tremendously blessed. Because this year's special project gifts will be invested in a qualified North Dakota Endowment, all gifts of \$5,000 and more qualify for a 40% state tax credit! (Up to \$20,000 for married couples making gifts of \$50,000.)

1435 2015-16 Autographed Carson Wentz Championship Football

Display your own piece of unprecedented Bison history with this autographed football from the one- and-only NDSU (and very recently NFL-drafted) quarterback Carson Wentz. "...Not that all 32 NFL teams didn't want to be here to see an FCS quarterback with only 23 career starts who threatens to rewrite draft history. Wentz's pro day was a must-see doubly Thursday for those NFL coaches and executives who didn't see it. They were shut out, grounded by a Midwest snowstorm. Only 18 teams made it to this quaint town 155 miles from the Canadian border. What they saw was a faith-based, hyper competitive, coyote-hunting prospect who made good on the hype..."
